Winter 2009

New Executive Director!

Big Brothers Big Sisters of Weyburn is pleased to welcome Amy Mohr as the new Executive Director for the organization. Amy recently moved to Weyburn and is happy to make the city her new home. "I look forward to meeting community members and getting involved in all the activities Weyburn has to offer!" Amy comments. She comes to the organization with a background in mentorship and a Bachelor's degree that focused on Indigenous studies and at-risk youth. Amy is excited to work at BBBSW and sees much potential to expand its services to the community, while enhancing existing programming.

"The benefits of mentoring are remarkable, both for the mentor and child. There is only a small time commitment, and the smile on a child's face makes your efforts unbelievably worthwhile. I highly recommend getting involved in the mentorship process," enthuses Amy.

If you would like more information about the programs and services offered by BBBSW and how you can become a part of this fantastic organization, please contact Amy today!

BBBS at the SK Legislature!

National Child Day was held on Nov. 20, 2009. In honor of this BBBS of Sask. hosted a Legislative Reception on Nov. 18, from 5-7pm. Our vision: *Every child in SK who needs a mentor has a mentor* was well received by the 22 MLA's and 6 Ministers in attendance. Many board members and matches also made the trip to Regina to celebrate this auspicious occasion! Karen Fonseth, Board President BBBSK "Please accept my sincerest congratulations on hosting one of the country's most successful legislative receptions. I was honored to be there. I have attended a few others across Canada and can sincerely say that that was one of the best that I have attended!" The event was clearly a great success, thank you to everyone who participated!
